

NEW!

50 Ft Trial Roll \$90 – 4" Wide X .022" Thick

SAVE TIME & MONEY!

PERFECT FORM Urethane Eliminates Tool Marks and Finishing Costs

- Press brakes produce scratch-free bends, save on finishing costs
- Run hundreds of parts with one strip of Perfect Form urethane
- Perfect Form is ideal for forming stainless steel and aluminum without tool marks

Easy To Use

- Cut urethane to length. Place over Vee Die and run **PERFECT FORMS** . . . mark free!
- Urethane can be held to Vee Die using double sided tape or magnets.
- A slight shut height reduction of 0.10" - .015" may be required.

ROLL WIDTH +/- 1/4"	.022" THICK +/- .004"	COST	.031" THICK +/- .004"	COST
